[1] Moody's deposit obligations ratings are issuer (rather than issue) ratings. For U.S. banks & thrifts, this rating applies only to domestic deposit obligations. Other Senior Obligations (OSO) of U.S. banks are covered by the OSO ratings on the U.S. Banks & Thrifts / OSO Ratings list. For non-U.S. banks, the deposit obligation rating applies to all deposit obligations. [2] The long-term ratings listed reflect the ratings on specific rated debt issues. [3] Moody's short-term debt rating for commercial paper, bank deposits, or other short-term debt.
